1.2. This Licence shall be interpreted according to the following provisions, unless the context requires otherwise:

1.2.1. references to the provisions of any law shall include such provisions as amended, re-enacted or consolidated from time to time in so far as such amendment, re-enactment or consolidation applies or is capable of applying to any transaction entered into under this Licence;

1.2.2. references to “Parties” shall include the Parties’ respective successors-in-title and, if permitted in this Licence, their respective sub-licensees, cessionaries and assignees;

1.2.3. references to a “person” shall include an individual, firm, company, corporation, juristic person, responsible authority, and any trust, organisation, association or partnership, whether or not having separate legal personality;

1.2.4. references to any “responsible authority” or any public or professional organisation shall include a reference to any of its successors or any organisation or entity, which takes over its functions or responsibilities;

1.2.5. the headings of clauses, sub-clauses and Schedules are included for convenience only and shall not affect the interpretation of this Licence;

1.2.6. words importing the singular number shall include the plural and vice versa, and words importing either gender or the neuter shall include both genders and the neuter;

1.2.7. references to “this Licence” shall include this Licence and its Schedules as amended, varied, novated or substituted in writing from time to time which are all an integral part of the Licence;

1.2.8. when a number of days is prescribed in this Licence, such number shall be calculated including the first and excluding the last day, unless the last day falls on a day that is not a Business Day, in which case, the last day shall be the first succeeding day which is a Business Day, being any day other than a Saturday, Sunday or official public holiday.

1.3. **Grant of Rights**

1.3.1. Grant

The Authority issues a Licence to the Licensee to undertake the Project on the terms and conditions contained in this Licence. The Licensee confirms that it has expertise in all matters relating to the Operation of the Project.

1.3.2. Grant of Rights

The right to undertake the Project is granted on a non-exclusive basis.

1.3.3. Obligations

The Licensee shall undertake the Project at its own cost and risk.

1.3.4. Sub-licencing

1.3.4.1. The Licensee may not sub-licence or subcontract the Operation of the Project to a third party without the prior written consent of the Authority.

1.3.4.2. The Licensee shall be responsible for the payment, performance, acts, defaults, omissions, breaches and negligence of all its subcontractors or agents. The Licensee shall be responsible for the management and supervision of any third parties appointed by it to perform any part of the Project. All references in this License to any performance, payment, act, default, omission, breach or negligence of the Licensee shall be

deemed to include any of the same by a subcontractor or agent of the Licensee.

- 1.3.4.3. The Licensee must enter into written agreements with all its sub-licensees or agents. The terms and conditions of any sub-licensees or agency shall be subordinate to this Licence and any cancellation, termination or expiry of this Licence shall automatically terminate any sub-licence or agency.

1.3.5. Related Party Transactions

- 1.3.5.1. The Licensee shall not enter into any licence, arrangement or agreement with any of its members or any Affiliate of any member in relation to the Project or this Licence unless such transaction:

- (a) is at arm's-length and on market-related terms; and
- (b) has the prior written approval of the Authority.

2. **DURATION**

Unless otherwise provided for herein, this Licence shall endure for the Project Term.

3. **PROJECT SITE**

- 3.1. The Licensee shall have the right to use and traverse the Project Site, solely for the uses and purposes contemplated in this Licence in respect of the Project.
- 3.2. The Licensee shall be liable for any damage caused by it, its subcontractors, sub-licensees, agents, visitors, guests, employees or invitees.
- 3.3. The Licensee shall keep the Project Site in an orderly state in accordance with Good Industry Practice.

4. **OPERATION**

- 4.1. The Project may not be furnished or equipped before the Licensee has submitted and obtained written approval from the Authority for its concept proposal for the Project. The Authority may require the Licensee to remove

any plant, equipment, or vehicles that are used by it in the Park if these are, in the sole and absolute discretion of the Authority, not in accordance with the Park's "sense of place", the brand guidelines and Park image, or which are not in good order and repair and fail generally to conform to the Authority's standards and Good Industry Practice, or for any other reason.

- 4.2. Within 90 (ninety) days of the Effective Date, the Licensee shall deliver proof, to the satisfaction of the Authority, of the capital expenditure incurred furnishing and equipping the Project. Where the actual capital expenditure, or in the case of pre-existing assets, the depreciated value, is appreciably less than that committed to be spent in the Licensee's Bid Submission, then the duration of the Licence shall automatically be reduced. The Project Term shall thereupon be adjusted accordingly.
- 4.3. The Licensee shall undertake the Operations in accordance with Good Industry Practice and in a manner and to the standard that is appropriate to the market described in its Bid Submission and adhere to the specifications and standards set out in the Schedules.
- 4.4. The Licensee shall Operate the Project in accordance with the price list in Schedule 5. If the Licensee wishes to increase prices by more than the higher of 10% in any year, it may only do so if it has obtained prior written approval from the Authority therefor. The Licensee may not charge its guests for access to the Park or for the use of any of the Park's facilities.
- 4.5. The Licensee shall Operate the Project in accordance with the scheduled departures in Schedule 5. Changes to scheduled departures shall be submitted by the Licensee to the Authority in writing.
- 4.6. The Licensee shall be entitled to undertake the Project, subject to the Laws and Park Rules, from the Effective Date to the Expiry Date or Termination Date, whichever is the earlier.
- 4.7. The Licensee is responsible for marketing the Project.
- 4.8. The Licensee shall subscribe to any voluntary or other grading accreditation system or function adopted by the Authority, from time to time, and which is applicable to all similar licensees in the Park. The Licensee shall ensure that all employees or subcontractors employed by it are appropriately qualified,

licensed and authorised. All the Licensee's tour guides shall be at least NQF Level 4 guides or equivalent.

- 4.9. The Licensee must commence Operations within 60 (sixty) days from the Effective Date failing which the Authority may terminate this Licence at its sole discretion.
- 4.10. The Licensee shall complete the compliance events set out in Schedule 1 Part B, and submit these to the Authority for approval and/or confirmation of completion.
- 4.11. The Licensee may not close all or any part of the Project Site or cease or limit its Operations without the prior written consent of the Authority. If the Licensee closes the Project in part or in whole for any length of time or ceases or limits its Operations without written approval, the Authority may terminate this Licence in its sole discretion.
- 4.12. The Licensee shall adhere to instructions issued by the Authority, from time to time, or by the Authority's delegated agent responsible for managing the Park in respect of its conduct in the Park.
- 4.13. The Licensee shall subscribe to and comply with any relevant Authority code of conduct as amended from time to time.
- 4.14. The Licensee shall not undertake or assist in the undertaking of commercial or promotional filming or photography in the Park, of any nature whatsoever, unless approved by the Authority in writing.
- 4.15. The Licensee shall not undertake or assist in the undertaking of research or monitoring in the Park, of any nature whatsoever unless approved by the Authority in writing.
- 4.16. The Licensee shall attend meetings with the Authority on reasonable notice and participate in awareness programmes and events in the Park.
- 4.17. The Licensee shall ensure that its staff pass a Park orientation course and other educational/awareness programmes approved by the Authority from time to time and shall become acquainted with policies and operational guidelines issued by the Authority from time to time.

- 4.18. The Licensee shall take all reasonable steps to ensure that it is informed about developments in the Park generally and specifically in relation to the Project.
- 4.19. The Licensee agrees to participate in the Authority's training programmes on a basis to be agreed annually. The Licensee shall in such participation be required to offer practical training for not more than two trainees each year nominated by the Authority and shall contribute to the subsistence and transport costs of such trainees.
- 4.20. Each year the Licensee shall make available no less than 10 places, free of charge, to be used together, at different times, or as a single reservation, by the Authority's personnel or special guests as authorised by the Authority's Chief Executive Officer. The Authority shall endeavour to give reasonable notice in respect of each such request. In addition the Licensee shall be required to offer discounted rates to Authority guests for special events or functions.
- 4.21. Each year the Licensee shall make available at least 20 places for media free of charge to be used together, at different times, or as a single reservation as authorised by the Authority's Chief Executive Officer. The Authority shall endeavour to give reasonable notice in respect of each such request. In addition the Licensee shall be required to offer discounted rates not exceeding the standard tour operator rate to media in the event that the allocation of 20 places has been used before the end of the year.

5. RIGHTS AND LIMITATIONS

- 5.1. Nothing in this Licence shall prevent or in any manner limit the rights of the Authority from granting such further or other Licences, contracts or similar arrangements as it in its discretion deems fit in respect of the Project Site, nor shall the Licensee have any claim against the Authority arising from the grant of such further or other Licences, contracts or similar arrangements.
- 5.2. The Authority shall not be liable to the Licensee for the volume of demand, or any fluctuation or loss of demand, for the Project or for loss of income resulting from the Operation by the Licensee of the Project in the Park, or as a result of the operational activities of the Authority, its staff, servants or agents, howsoever arising.

- 5.3. No warranties, representations or undertakings are given as to the accuracy or completeness of any information provided by the Authority.

Notwithstanding anything else contained in this Licence, the Licensee shall not in any way be relieved from any obligation under this Licence nor shall it be entitled to claim against the Authority or any other responsible authority and/or their respective officers, employees, agents and/or representatives on grounds that any information, however and from whomever it is obtained, is incorrect or insufficient and shall make its own enquiries as to the accuracy and adequacy of that information.

6. WARRANTIES AND UNDERTAKINGS

- 6.1. The Licensee shall be responsible for:
- 6.1.1. obtaining all Consents which may be required in connection with the performance of the Project;
 - 6.1.2. maintaining in full force and effect all Consents; and
 - 6.1.3. implementing all Consents in accordance with their respective terms within the period of their validity.
- 6.2. The Licensee shall be responsible for the safety and security of its employees, guests, contractors and invitees. The Licensee shall use all reasonable endeavours to exercise appropriate control in respect of access to the Project Site to ensure that only employees, guests, contractors or invitees of the Licensee are permitted access to the Project Site in addition to other legitimate users of the Park.

7. INSURANCE

- 7.1. The Licensee shall take out, with a reputable insurance company:
- 7.1.1. insurance against the risk of fire, lightning, explosion, storm, flood, earthquake, riots (including political riot), strikes and malicious damage, public liability, business interruption and for any risks selected by the Authority which are readily insurable in the South African insurance market; and

- 7.1.2. casualty insurance, including business interruption insurance, third-party liability insurance and employer's liability insurance.
- 7.2. The Licensee will maintain the insurance in Clause 7.1 in accordance with Good Industry Practice and shall undertake an annual risk assessment to ensure adequate cover according to Good Industry Practice and to ensure sufficient and adequate financial cover in terms of such insurance.
- 7.3. The interest of the Authority shall be noted on the policies set forth in Clauses 7.1.1 and 7.1.2. The Licensee shall provide certified copies of the certificates of all such insurance on demand by the Authority.
- 7.4. The Licensee shall review the extent and adequacy of the coverage provided by the insurance in Clause 7.1 at least annually.
- 7.5. If the Licensee is unable to obtain insurance in the sums or on the terms required by Clauses 8.1.1, 7.1.2 and 7.2, at a reasonable commercial rate, it shall immediately notify the Authority of any material areas of change in the terms or level of the insurance cover which notification shall not in any way absolve the Licensee of any of its liabilities and obligations under this Licence. The Licensee shall restore the terms and level of cover as soon as it becomes available.

8. INDEMNITY

- 8.1. The Licensee hereby indemnifies and holds the Authority harmless against all liability, loss, damages, costs and claims in relation to the Operation of the Project in respect of:
- 8.1.1. death or injury to any Person; or
- 8.1.2. loss of or damage to any property; or
- 8.1.3. breach of a statutory duty arising under applicable law or of any provisions of this Licence, by the Licensee; or
- 8.1.4. any economic loss,
- 8.1.5. howsoever caused, irrespective of whether in the Park or accessing or egressing the Park, including, without limitation, any legal fees or costs arising from or in connection with the performance or non-performance

of this Licence; save to the extent caused by the gross negligence or wilful misconduct of the Authority.

- 8.2. The indemnity in Clause 8.1 shall survive the termination of this Licence.
- 8.3. The Licensee shall throughout the Project have regard for the safety of all persons at the Project Site (whether lawfully or not), and shall keep the Project Site in an orderly state as appropriate in accordance with Good Industry Practice to avoid harm or injury to such persons.

9. LICENSEE ACKNOWLEDGEMENT

The Licensee acknowledges that the fauna and flora in the Park, including the presence of dangerous animals and mammals, as well as the intrinsic features and environment of the Park constitute a potential danger to people and property. The Licensee shall take steps to draw the attention of all guests, visitors, invitees, employees, contractors, patrons and the like to the dangers in the Park and will obtain from such persons an indemnity and waiver in a form which will not result in the Authority being exposed to any claim whatsoever. The requirements of this clause shall not affect, in any way, the indemnity provided under Clause 8.

10. BEE OBLIGATIONS

- 10.1. The Licensee shall comply with the BEE Obligations set out in Schedule 3 all of which are deemed to be a material part of this Licence.

11. DOCUMENTS AND INTELLECTUAL PROPERTY

- 11.1. The Licensee shall provide to the Authority all information, documents, records and the like in the possession of, or available to, the Licensee as may reasonably be requested by the Authority for the purpose of complying with any of its statutory reporting obligations.
- 11.2. All Intellectual Property rights whatsoever, whether capable of registration or not, regarding the Park and Authority's name, trademarks, logos, image and all other intellectual property matters relating to the Park and the

Authority, including its name, trademarks, logos and/or image shall remain the sole property of the Authority.

- 11.3. The Authority may require the Licensee to use its Intellectual Property. This Intellectual Property must be used by the Licensee in accordance with the Authority's brand manual or other written directive. Failure to comply with this requirement shall be deemed to constitute a material breach.
- 11.4. The Licensee shall use such of the Authority's Intellectual Property as the Authority shall determine, but the Licensee shall first submit the concept or a sample of the proposed use to the Authority for approval, which shall be in its discretion. The Authority shall use reasonable endeavours to advise the Licensee of its approval or disapproval of the concept or sample within 30 (thirty) Business Days of its receipt of the concept or sample.
- 11.5. If the Authority approves the concept or sample:
 - 11.5.1. the Licensee shall not depart therefrom in any respect without the Authority's further prior written approval; and
 - 11.5.2. subject to existing rights and obligations, the Authority shall grant a non-exclusive revocable right and licence to the Licensee to use the Authority's Intellectual Property for a period not to exceed the Project Term, provided that the Licensee shall, in making such use, conform strictly with the requirements of the Authority in respect of such use, as set out in this Licence and in such written guidelines in respect of such use as the Authority may issue from time to time.
- 11.6. If at any time the Authority revokes its approval for the specified use of any Intellectual Property, the Licensee shall immediately discontinue all use of such Intellectual Property and shall remove from public sale or distribution any previously approved product in respect of which the Authority has revoked its approval. The costs incurred by the Licensee as a result of such revocation shall be borne by the Licensee if the grounds for the revocation include any ground described in Clause 11.7.
- 11.7. The Authority will be entitled but not obliged to revoke its approval immediately upon 3 (three) Business Days' written notice to the Licensee if the Licensee or any of its officers, directors or employees fails to conform

strictly with the requirements of the Authority in respect of such use, as set out in Clause 11.6 or commits any crime or otherwise engages in conduct which violates any law, or engages in any conduct that offends against public morals and decency or, in the Authority's reasonable opinion, materially prejudices the reputation and public goodwill of the Authority.

- 11.8. In circumstances where the Licensee or any sub-contractor or successor in title, uses any of the Protected Names, either on its own or in combination or association with any other name, it shall do so only in terms of this Licence and with the prior approval of the Authority. On termination or expiry of this Licence, the Licensee shall not be entitled to operate or conduct any business using any of the Protected Names either on its own or in combination or association with any other name.
- 11.9. Within 30 (thirty) Business Days after the termination for whatever reason or the expiry of this Licence and where the Licensee has operated a company utilising any of the Protected Names with the permission of the Authority, the Licensee shall either:
 - 11.9.1. de-register the company bearing any of the Protected Names; or
 - 11.9.2. change the name to a name not substantially similar to any of the Protected Names.
- 11.10. The naming of the Licensee's business operation shall be undertaken in consultation with the Authority and subject to the Authority's approval. Where the name chosen by the Licensee and approved by the Authority is not a Protected Name, then the rights of the Authority contemplated in Clause 11 shall not be applicable and the intellectual property shall be the sole property of the Licensee.
- 11.11. The Licensee will be required to display its information in any Authority offices at the request of the Authority.
- 11.12. The Licensee shall be required to reflect such Protected Names as determined by the Authority in all publicity and marketing material, which the Authority reserves the right to approve.

12. REPORTING AND FINANCIAL REQUIREMENTS

- 12.1. From the Effective Date the Licensee shall provide the Authority with quarterly written reports in a form to be specified by the Authority unless otherwise agreed in writing. The reports must be submitted 20 (twenty) days after each quarter as follows:
- 12.1.1. for the period April to June - 15 July;
 - 12.1.2. for the period July to September - 15 October;
 - 12.1.3. for the period October to December - 15 January;
 - 12.1.4. for the period January to March - 15 April; and
 - 12.1.5. if that day is not a Business Day, then on the preceding Business Day.
- 12.2. The Licensee shall report all incidents, in writing, within 24 hours to the Authority.

13. COMPLIANCE MONITORING

- 13.1. The Authority and/or its representatives may take such measures as necessary to monitor the Licensee's compliance with this Licence.
- 13.2. The Authority may conduct random inspections by using, inter alia, mystery guests, in which case, the Licensee shall reimburse the Authority for any admission fee, fare or other charge paid by the mystery guests to the Licensee.

14. PARK AND PARK USERS

- 14.1. The Licensee shall fulfil its obligations, duties and responsibilities under this Licence so as not to interfere with the use of the Park and its facilities by other users of the Park, other than as permitted by this Licence; and where such interference cannot reasonably be avoided, the Licensee shall ensure that appropriate traffic and other appropriate management measures are implemented to minimise the effect of any such disruption on users of the Park. These measures shall comply at all times with the IMP, Park Rules and other measures/plans issued by the Authority from time to time.

- 14.2. The Licensee shall also take all reasonable steps to ensure that its officers, employees, contractors, sub-licensees, sub-contractors at all levels, sub-agents, assignees, employees, guests, invitees and patrons adhere to, abide by and comply with Legislation, Environmental Specifications generally and specifically in respect of the Project Site and the Project, any EIA and any valid and enforceable directives or rules issued by the Authority, the Authority or any of its senior personnel or the nominated conservation agent of the Authority from time to time. The Licensee shall liaise with the Authority's nominee with respect to day to day operational issues regarding the Project Site. The name of the nominee shall be provided in writing by the Authority. In cases where the Licensee believes that the nominee has issued a directive or rule that is not covered by the Regulations, Park policy or IMP or that is not valid, or that impacts materially on the commercial soundness of the Project, the Licensee shall have the right of appeal to the chief executive officer of the Authority or his delegatee. The chief executive officer of the Authority or his delegatee will verify, within 45 (forty-five) days of receipt of a written notice and grounds of appeal, whether the directive or rule in question was valid. Pending the results of such an appeal, the Licensee shall abide by the said directive or rule.

15. REMOVAL OF PERSONNEL

- 15.1. The Licensee shall provide a list of staff to the Authority showing the names, identity numbers, positions and qualifications of the staff. The Licensee shall notify the Authority of any changes in writing forthwith.

If at any time the Licensee does not, in the opinion of the Authority, have appropriately qualified staff, the Licensee, on written notice from the Authority, shall be required to cease Operations.

- 15.2. The Authority may require the Licensee to take disciplinary action or remove any employee or other personnel of the Licensee or any subcontractor, visitor, guest or invitee from the Project Site and the Park and the Licensee shall do so (provided such removal is permitted under applicable law) if in the reasonable opinion of the Authority such employee or personnel or subcontractor, visitor, guest, invitee engages in any conduct which might reasonably result in a breach of any provision of this Licence or threaten public health, safety or security or cause any environmental hazard or harm,

or which in the reasonable opinion of the Authority impacts negatively on the reputation of the Park and the Authority. The Licensee shall replace such employee or personnel with suitable appropriately qualified and experienced replacements as soon as reasonably possible.

16. LICENCE FEE

- 16.1. The Licensee shall pay to the Authority the Licence Fee, which will be the amount of R_____ [Authority to insert Licence Fee] per month for the Project Term. The Licence Fee shall escalate at 8% per annum annually from the Effective Date.
- 16.2. The Licence Fee shall be paid monthly in advance on the first business day of each month. The first payment must be made prior to the commencement of the Project. The Authority may at its sole discretion require the Licensee to make payment by debit order within 5 (five) Business Days of written notice.
- 16.3. The Authority shall issue appropriate invoices on a monthly basis but payment of the Licence Fee as required in terms of Clause 16.2 above must be made as required irrespective of when the invoice is issued or received by the Licensee.
- 16.4. If any amount remains unpaid for more than thirty (30) days, the Authority may by written notice instruct the Licensee to suspend and cease Operations and the Licensee shall immediately upon receipt of such notice suspend and cease Operating and may only recommence Operating after all overdue amounts have been paid to the Authority in full.
- 16.5. If any amount is not paid after 30 (Thirty) days iSimangaliso will charge Interest in terms of its debt recovery policy
- 16.6. The Authority may impose Interest on all overdue amounts payable in terms of this Licence at the prime overdraft interest rate charged by the Authority's bankers plus 2 percentage points.
- 16.7. The Authority shall be entitled to raise a levy against all Licensees, in the appropriate circumstances and on reasonable notice such levy shall be in addition to the Licence Fee which shall not be reduced by the amount of any such levy.
- 16.8. This Licence constitutes an acknowledgement of indebtedness by the

Licensee and the Licensee agrees that it waives and abandons any defence of prescription against the Authority should the Authority be required to institute proceedings against it for the recovery of any amount or interest due to it and acknowledged herein to be due, owing and payable as set out herein.

17. PERFORMANCE BOND/REFUNDABLE DEPOSIT

- 17.1. Before the commencement of the Project, the Licensee shall provide to the Authority a performance bond (Refundable Deposit) which shall be retained by the Authority until 3 (three) months after the Expiry Date.
- 17.2. The Performance Bond/Refundable Deposit shall be for an amount equal to 2 (two) months' Licence Fee and shall escalate annually by 8% per annum.
- 17.3. The Performance Bond shall secure the Licensee's performance under this Licence and may be called on by the Authority to the extent of any costs, losses, damages or expenses suffered or incurred by the Authority as a result of breach by the Licensee of the terms of this Licence, including, but not limited to, compensation to the Authority for any actions taken by the Authority as a result of breach by the Licensee of any Environmental Specifications and payment obligations hereunder. The Refundable Deposit may also be called upon to compensate for any delay in the payment of sums due to the Authority in respect of Licence fee payments or penalties for failing to meet empowerment or environmental obligations. The Licensee shall ensure that the Refundable Deposit is, notwithstanding drawdown, maintained for the full amount required throughout the duration of this Licence.
- 17.4. Prior to enforcing the Performance Bond, the Authority shall give written notice to the Licensee, informing the Licensee of the penalty payable or breach giving rise to the right of enforcement of the Refundable Deposit. If such breach is not remedied within the Remedy Period notified by the Authority, the Authority may thereupon enforce the Refundable Deposit.
- 17.5. The Performance Bond may only be enforced to the extent of any penalties specified herein, costs, losses, damages or expenses suffered or incurred and/or reasonably expected to be suffered or incurred as a result of the breach that gave rise to the right to enforce the Performance Bond. If the

Performance Bond it is called on the Licensee must, within 10 (ten) Business Days, reinstate the full amount of the Refundable Deposit.

- 17.6. The Performance Bond shall be returned to the Licensee within 30 (thirty) Business Days after the end of the Project Term.

18. PENALTIES OR SUSPENSION

- 18.1. The Authority shall be entitled to levy penalties for environmental infractions, poor conduct that may be deemed to be damaging to the reputation of the Authority and the Park, in the sole discretion of the Authority, failure to conform to acceptable Operating standards, other breaches including a failure to meet BEE obligations among other. The penalty shall be determined by the Authority and shall be commensurate with the nature of the offence. From time to time the Authority may publish schedules of penalties.

- 18.2. In addition to a penalty or as an alternative thereto, the Authority may by written notice instruct the Licensee to suspend and cease Operations and the Licensee shall immediately upon receipt of such notice suspend and cease Operating and may only recommence Operating after further notice by the Authority that the transgression by the Licensee has been remedied or such reasonable period has elapsed commensurate with the nature of the offence.

- 18.3. In addition to the transgressions set out in Clause 19.1 the failure to comply with any of the following shall be considered transgressions warranting suspension and cessation of Operations if the Licensee:

- 18.3.1. or any of its members, directors, partners, or shareholders has an unappealable judgment granted against it;
- 18.3.2. is in arrears in respect of any amounts owing to the Authority;
- 18.3.3. has contravened any Park Rule, directive, existing contractual agreement, or environmental law in the last three years;
- 18.3.4. has received any verbal warnings subsequently confirmed in writing or written warnings in respect of its conduct in the Park or any banning

or eviction notices that have been upheld for a period of more than one month, or conviction for a wildlife or environmental crime;

- 18.3.5. has been convicted of any offence under the Companies Act without the option of a fine, or of fraud or corruption or any dishonesty-related criminal offence or Corrupt Act;
- 18.3.6. has, in the opinion of the Authority, attempted to exercise any Corrupt Act deed or influence during and in respect of the Licence; or

19. **SUBSTITUTE ENTITY**

- 19.1. Upon the occurrence of an event entitling the Authority to terminate this Licence, and upon the expiry of the Remedy Period (in the event a Remedy Period is provided), or, where no Remedy Period is provided, upon the occurrence of such event, the Authority shall have the right at its sole discretion to license a substitute entity to conduct the Operations on its behalf.
- 19.2. Immediately following the licensing of a substitute entity, the Licensee shall make available its Operating equipment and assets for a period not exceeding 90 (ninety) days. The Operating equipment shall be used at the cost and risk of the substitute entity.

20. **BREACH**

- 20.1. If the Licensee commits a material breach of any obligation under this Licence, and fails to remedy that breach within 28 (twenty eight) days, or within the Remedy Period as determined by the Authority in the circumstances, after written notice by the Authority calling upon the Licensee to remedy the breach and specifying particulars of the breach and, (if applicable) the location thereof, then the Authority party shall be entitled, at its election:
 - 20.1.1. to claim specific performance and/or damages from the Licensee; or

20.1.2. to cancel this Licence by written notice to the Licensee and to claim damages from the Licensee, without prejudice to any monetary claims outstanding at the date of cancellation.

20.2. Notwithstanding any other provision of this Licence the Authority shall be entitled in the event of a breach to suspend the operation of this Licence, without relieving the Licensee of its continued obligation to pay the Licence Fee as provided for in Clause 16, during such suspension which shall not be for a continuous period of longer than 14 (fourteen) days or the Remedy Period whichever is the longer.

21. **TERMINATION**

21.1. The Authority shall have the right to terminate this Licence upon the occurrence of any of the following events:

21.1.1. the commencement of any court action for the dissolution and/or liquidation of the Licensee (except for the purposes of amalgamation or reconstruction on terms approved in advance by the Authority in writing) which is not dismissed within 60 (sixty) days of its commencement; or

21.1.2. the Licensee receives a court order to be placed into judicial management or to commence liquidation procedures or passes a resolution for its winding up; or

21.1.3. the Licensee committing 2 (two) material breaches of any of its obligations under this Licence within a period of 3 (three) calendar months; or

21.1.4. there is change in control in the Licensee without the prior written approval of the Authority on the understanding that in the case of the Licensee, it ceases to be beneficially owned as to at least 51% (fifty one percent) by Black persons (as the term "Black" is defined in the Broad-Based Black Economic Empowerment Act, 2003 (Act No 53 of 2003)), and the requisite number of shareholders fail to approve in writing, which shall be deemed to be unreasonable, any reasonable proposed remedy of the situation which arises as a result of the event in question within 60 (sixty) days of the event in question having

- occurred, and the sole criteria for determining whether or not approval has been reasonably or unreasonably withheld will be based upon the identity of any beneficial shareholder of the Licensee and its empowerment credentials; or
- 21.1.5. there is any material representation in the Licensee's Bid Submission is proved to be false or misleading in any material respect. A fraudulent misrepresentation is deemed to be material; or
- 21.1.6. the Licensee fails to commence Operations within 2 months from the Effective Date; or
- 21.1.7. the Licensee fails to deliver the proof of capital expenditure as required in Clause 4.2; or
- 21.1.8. all or substantially all of the capital contributions of the shareholders undertaken in the Licensee's Bid Submission are not made; or
- 21.1.9. a change in the Laws, ROD, or EA renders it impossible or unlawful to undertake the Operation of the Project; or
- 21.1.10. the Licensee commits a material breach in respect of the performance of any of its other material obligations hereunder and fails to rectify same within the Remedy Period.
- 21.2. The Authority shall, prior to exercising its rights to terminate this Licence under this Clause 21, send a written notice to the Licensee notifying it of the event giving rise to such right and requesting the Licensee to remedy the event giving rise to such right of termination within the Remedy Period; provided, however, that no Remedy Period shall be required if the Authority wishes to exercise the Authority's right to terminate this Licence because a court order placing the Licensee in liquidation is made or the Licensee passes a resolution for its winding up.
- 21.3. If such events are not remedied by the Licensee by the expiry of the said period or the relevant event does not require such a period, and the Authority has not exercised its rights to appoint a Substituted Entity pursuant to Clause 19, the Authority shall have the right to terminate this Licence forthwith by notice in writing to the Licensee.

- 21.4. The Authority shall be entitled to claim reimbursement from the Licensee for all damages recoverable at law which are suffered by the Authority as a result of such termination from the Licensee and, where appropriate to call on any relevant Refundable Deposit.
- 21.5. In circumstances where it is impossible for the Licensee to perform its obligations under this Licence for a continuous period of 3 (three) months, the Licensee may terminate this Licence by written notice to the Authority having immediate effect.
- 21.6. On termination of this Licence by written notice, and save as provided for herein, all rights and obligations of the Authority and the Licensee under this Licence shall cease and be of no further force and effect and the Licensee shall remove all its assets from the Project Site and shall restore the Project Site to the condition it was in before the Licensee was granted access to it, fair wear and tear accepted.
