- B-BBEE Certificate

18.2 Stage 1: Price Evaluation

18.2.1 Bidders must submit their Pricing Schedule and in doing so must propose tariffs relevant for the following categories:

- Team Leader
- Team members
- Disbursements;
- Traveling costs (SARs applicable rates will be used)

18.2.2 Tariffs proposed will be used for contracting purposes only. The tariffs will form part of the Service Provider Agreement and will apply to appointments arising out of this Bid.

18.2.3 iSimangaliso reserves the right to review the proposed tariffs on the anniversary of the agreement and at its sole discretion propose to the service provider adjustments thereto.

18.2.4 The service provider is required to advise iSimangaliso of any new professional staff members appointed during the contract term to attend to iSimangaliso’ instructions and shall furnish
RFP: #01/2019 ENVIRONMENTAL SERVICES

iSimangaliso with a short CV, including the appointee’s applicable category, prior to such new appointee commencing work on a iSimangaliso matter.

18.2.5 Service providers will be regarded as having acted in bad faith if iSimangaliso finds:
- instructions and/or duties that could be attended to, or executed by junior staff members have been assigned to senior team members;
- multiple consultants have been assigned to attend to a single instruction without any proper justification, such as the complexity or magnitude of a matter and/or the service provider failed to request iSimangaliso’s prior permission in writing to appoint multiple consultants for such an instruction; and
- unrealistic time billing considering the nature (i.e. relative simplicity) of any services provided.

18.2.6 The aforesaid list is not exhaustive. Bidders must note that transgressions such as the above may lead to iSimangaliso electing not to make any further use of the services of the service provider.

19. SERVICE PROVIDER CONTRACT

19.1 Any award made to a bidder(s) under this bid is conditional, amongst others, upon –
- The bidder(s) accepting the terms and conditions contained in the Service Provider Contract as the minimum terms and conditions upon which iSimangaliso is prepared to enter into a contract with the successful Bidder(s).
- The bidder submitting the Service Provider Contract to iSimangaliso together with its bid, duly signed by an authorised representative of the bidder.

20. CONTRACT PRICE ADJUSTMENT

20.1 Contract price adjustments will be done annually on the anniversary of the contract start date. The price adjustment will be based on the CPI inflation.

21. SERVICE LEVEL AGREEMENT

21.1 Upon award iSimangaliso and the successful bidder will conclude a Service Level Agreement regulating the specific terms and conditions applicable to the services being procured by iSimangaliso, in the format of the draft Service Level Indicators included in this tender pack.

21.2 iSimangaliso reserves the right to vary the proposed draft Service Level Indicators during negotiations with a bidder by amending or adding thereto.

21.3 Bidder(s) are requested to:
- Comment on draft Service Level Indicators and where necessary, make proposals to the indicators;
- Explain each comment and/or amendment; and
- Use an easily identifiable colour font or “track changes” for all changes and/or amendments to the Service Level Indicators for ease of reference.
iSimangaliso reserves the right to accept or reject any or all amendments or additions proposed by a bidder if such amendments or additions are unacceptable to iSimangaliso or pose a risk to the organisation.
22. **SPECIAL CONDITIONS OF THIS BID**

22.1 iSimangaliso reserves the right:

22.1.1 To award this tender to a bidder that did not score the highest total number of points, only in accordance with section 2(1)(f) of the PPPFA (Act 5 of 2000).

22.1.2 To negotiate with one or more preferred bidder(s) identified in the evaluation process, regarding any terms and conditions, including price without offering the same opportunity to any other bidder(s) who has not been awarded the status of the preferred bidder(s).

22.1.3 To accept part of a tender rather than the whole tender.

22.1.4 To carry out site inspections, product evaluations or explanatory meetings to verify the nature and quality of the services offered by the bidder(s), whether before or after adjudication of the Bid.

22.1.5 To correct any mistakes at any stage of the tender that may have been in the Bid documents or occurred at any stage of the tender process.

22.1.6 To cancel and/or terminate the tender process at any stage, including after the Closing Date and/or after presentations have been made, and/or after tenders have been evaluated and/or after the preferred bidder(s) have been notified of their status as such.

22.1.7 Award to multiple bidders based either on size or geographic considerations.

22.1.8 All proposed consultancy rates may not exceed the applicable rates based on the National Treasury, DPSA fees guidelines and/or any remuneration guidelines issued by the professional service organisation or regulatory bodies as may be relevant.

22.1.9 Bidders to ensure that travelling costs are based on SARs rate and or any iSimangaliso policy

23. **iSIMANGALISO REQUIRES BIDDER(S) TO DECLARE**

23.1 In the Bidder’s Technical response, bidder(s) are required to declare the following:

   Confirm that the bidder(s) is to:

23.1.1 Act honestly, fairly, and with due skill, care and diligence, in the interests of iSimangaliso;

23.1.2 Have and employ effectively the resources, procedures and appropriate technological systems for the proper performance of the services;

23.1.3 Act with circumspection and treat iSimangaliso fairly in a situation of conflicting interests;

23.1.4 Comply with all applicable statutory or common law requirements applicable to the conduct of business;

23.1.5 Make adequate disclosures of relevant material information including disclosures of actual or potential own interests, in relation to dealings with iSimangaliso;

23.1.6 Avoidance of fraudulent and misleading advertising, canvassing and marketing;

23.1.7 To conduct their business activities with transparency and consistently uphold the interests and needs of iSimangaliso as a client before any other consideration; and

23.1.8 To ensure that any information acquired by the bidder(s) from iSimangaliso will not be used or disclosed unless the written consent of the client has been obtained to do so.
24. **CONFLICT OF INTEREST, CORRUPTION AND FRAUD**

24.1 iSimangaliso reserves its right to disqualify any bidder who either itself or any of whose members (save for such members who hold a minority interest in the bidder through shares listed on any recognised stock exchange), indirect members (being any person or entity who indirectly holds at least a 15% interest in the bidder other than in the context of shares listed on a recognised stock exchange), directors or members of senior management, whether in respect of iSimangaliso or any other government organ or entity and whether from the Republic of South Africa or otherwise (“Government Entity”):

24.1.1 engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other bidder in respect of the subject matter of this bid;

24.1.2 seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representative of a Government Entity in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;

24.1.3 makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of iSimangaliso’s officers, directors, employees, advisors or other representatives;

24.1.4 makes or offers any gift, gratuity, anything of any value or other inducement, to any Government Entity’s officers, directors, employees, advisors or other representatives in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;

24.1.5 accepts anything of value or an inducement that would or may provide financial gain, advantage or benefit in relation to procurement or services provided or to be provided to a Government Entity;

24.1.6 pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;

24.1.7 has in the past engaged in any matter referred to above; or

24.1.8 has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such bidder, member or director’s name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

25. **MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT**

25.1 The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that iSimangaliso relies upon the bidder’s Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

25.2 It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by iSimangaliso against the bidder notwithstanding the conclusion of the Service Level Agreement between iSimangaliso and the bidder for the provision of the Service in question. In
the event of a conflict between the bidder’s proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

26. **PREPARATION COSTS**

26.1 The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing iSimangaliso, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

27. **INDEMNITY**

27.1 If a bidder breaches the conditions of this bid and, as a result of that breach, iSimangaliso incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds iSimangaliso harmless from any and all such costs which iSimangaliso may incur and for any damages or losses iSimangaliso may suffer.

28. **PRECEDENCE**

28.1 This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

29. **LIMITATION OF LIABILITY**

29.1 A bidder participates in this bid process entirely at its own risk and cost. iSimangaliso shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered because of the Bidder’s participation in this Bid process.

30. **TENDER DEFAULTERS AND RESTRICTED SUPPLIERS**

30.1 No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury’s List of Restricted Suppliers. iSimangaliso reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at
RFP: #01/2019 ENVIRONMENTAL SERVICES

any time, that a bidder has been blacklisted with National Treasury by another government institution.

31. **GOVERNING LAW**

31.1 South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

32. **RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER’S PERSONNEL**

32.1 A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that iSimangaliso allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and iSimangaliso will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

33. **CONFIDENTIALITY**

33.1 Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder’s tender(s) will be disclosed by any bidder or other person not officially involved with iSimangaliso’s examination and evaluation of a Tender.

33.2 No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by iSimangaliso remain proprietary to iSimangaliso and must be promptly returned to iSimangaliso upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived therefrom.

33.3 Throughout this bid process and thereafter, bidder(s) must secure iSimangaliso’s written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

33.4 The firms of Environmental Consultancy will be required to sign confidentiality and/or indemnity agreements with iSimangaliso

33.5 The bidder undertakes, at any time during the term of its appointment and after any termination or cancellation thereof, directly or indirectly disclose, or directly or indirectly use, whether for its own benefit or that of any other person any confidential information of iSimangaliso including
34. **ISIMANGALISO PROPRIETARY INFORMATION**

34.1 Bidder will on their bid cover letter make declaration that they did not have access to any iSimangaliso proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidder(s).

35. **AVAILABILITY OF FUNDS**

35.1 Should funds no longer be available to pay for the execution of the responsibilities of this bid, iSimangaliso may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.

36. **GENERAL**

36.1 This RFP supersedes all other communications between the iSimangaliso Authority and the Bidder.

36.2 The iSimangaliso Authority reserves the right to change the timetable or otherwise amend, supplement or clarify this RFP at any time. The iSimangaliso Authority may cancel the tender at any time without prior notice for any reason whatsoever and may disqualify any Bidder as provided for in this RFP. The iSimangaliso Authority shall not incur any liability whatsoever in exercising any rights in terms of this RFP or the laws of the Republic of South Africa.

36.3 The iSimangaliso Authority reserves the right to enter into other or additional agreements for the same, similar or dissimilar services at any stage, at its sole discretion.

37. **CORRESPONDENCE & COMMUNICATION**

37.1 All correspondence and any communication must be directed to the Official Bid Representative, via email to: bids@iSimangaliso.com. No Bidder is permitted to correspond or communicate with any member of an evaluation panel, any technical advisor or consultant to the iSimangaliso Authority or board or staff member of the iSimangaliso Authority in relation to this tender, unless prior written permission therefore has been obtained from the Official Bid Representative. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds.

Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:

a. disregard the quotation of any bidder if that bidder, or any of its directors have abused the institution’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.

b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when quotations are considered, reasonable steps are taken to prevent any form of quotation-rigging.

In order to give effect to the above, the attached Certificate of Quotation Determination (SBD 9) must be completed and submitted with the quotation:

   (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium will not be construed as collusive bidding.

7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
   (a) prices;
   (b) geographical area where product or service will be rendered (market allocation)
   (c) methods, factors or formulas used to calculate prices;
   (d) the intention or decision to submit or not to submit, a quotation;
   (e) the submission of a quotation which does not meet the specifications and conditions of the quotation; or

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this quotation invitation relates.
9. The terms of the accompanying quotation have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
